Builders' cum

I've been happily married to Ian for eight years. I've got three kids but have still got a good figure with big tits. I've always been faithful which is why what I'm about to tell you is so out of character.

Ian likes to take dirty pictures like these of me, and last week he left them out on the kitchen sideboard, just as a team of builders were about to come in to improve our council house.

When I came back from taking the kids to school, I heard the builders, five lads aged from 18 to 40, talking about the pictures. I was so embarrassed I went and hid in the bedroom till they had left for the day.

When I told Ian about it he was angry at first but he was so hard and horny when he was fucking me that night I could tell he was turned on. So he told me the next day to play up to them a bit more.

So the next day, I let them in and then went up to have a shower. When one of the lads, Lenny, asked if he could use the toilet, I told him to wait, then walked out of the bathroom and "accidentally" bumped into him and dropped my towel. Then I squeezed his cock which was rock hard.

He squeezed my tits and put two fingers up my sopping cunt. "Later big boy," I whispered, playing hard-to-get.

Feeling this slutty, I played up with the lads all afternoon, only stopping to frig myself off in the bedroom. John kept touching me up and Lenny kept saying that I had great tits and commenting on my cunt that was so wet it was staining my dress.

The lads decided to take me out for a lunchtime drink so I got in the front of their Transit between Lenny and John, the other three in the back.

We drove out to a village pub where no-one knew me and had a glass of wine. We started playing pool, and I was bending over, my sopping cunt stuck right up in the air. All the locals were loving it as well as my lads.

Then, while a couple of chaps kept the landlord out of the way, Lenny and John got me down on the pool table.

Before I knew it, there were hands all over me, and I had a cock in each hand, wanking them off.

Soon I was on all fours, being fucked rigid by cocks. No sooner had one finished up me than another took its place. At one time I had one cock in my cunt, one in my arse and one in my mouth. In 45 minutes I must have been fucked by a dozen blokes.

On the way home I sat in the back of the van, my clothes totally shredded, getting fucked again by the builders.

They were taking pictures of me in every conceivable filthy position, cocks in my arse, spunk all over my face and tits, my cunt lips pulled apart.

I never thought it was possible to be so shameless and so turned-on.

The building work finished two weeks late but I've not had any comeback about my unfaithfulness.

I've sent you some rude pics taken by the builders. I look forward to seeing them in Escort!

Lucy, Wiltshire.

London Balling

A lot has happened to me since I appeared in Escort. I have been fucking non-stop for starters!

We met up with a couple, Kate and Paul, who contacted us through your magazine.

They did this by sending me a horny taster of what was to come – a picture of themselves in bed! As soon as I saw Paul's body I knew I would have to have his big cock deep inside me.

We decided to meet up in a bar in London. We drank plenty and soon got talking about sex.

I confessed to Kate that I would love to fuck Paul while she licked my wet hole out.

When she heard this, Kate insisted on booking a hotel room and as soon as the door thudded shut behind us, we were all over each other.

I got Paul's huge cock out and sucked madly on it. I could see Kate doing the same thing to Rob.

Then I started to ride Paul, fucking him hard, his huge cock thrusting powerfully into my wet pussy.

Kate was doing the same to Rob and by the sweat on his forehead and the grin on his face I could tell he was having a good time.

I leaned over and kissed Kate, pushing my tongue down her throat as I rubbed her tits.

I was still riding that monster cock and in minutes an orgasm shot through my body.

I finished fucking Paul until he pulled out and came all over my face and tits with lovely gooey ropes of spunk.

The rest of the night I spent concentrating on Kate's pussy with my tongue while the boys watched and wanked.

I love the feel of wet pussy on my tongue. Needless to say she came all over my face!

Louise, London.

Look, we wanted to fly Tiffany James to the Big Apple for a no-expenses-spared shoot, but the Ed was feeling a bit tight, so here's an expenses-spared version instead – and he'd like us to point out that New York wallpaper isn't exactly free, you know! Anyway, who needs attractions like The Statue of Liberty or Brooklyn Bridge to gaze at when you've got Tiff's fantastic figure to feast your eyes on instead? A stroll through Central Park's all very well, but who wouldn't prefer to spend a bit of time with Tiff and her gorgeous smile, bodacious boobs and fabulous fanny flaps? And think of the carbon emissions you'd be saving too!

Happy cunny-moon!

I have just got back from my honeymoon in Magaluf and had to write in and tell you guys what a slag my wife was while we were there.

She has always been a bit of a dirty bitch – not that I'm complaining – and before we got married we had enjoyed a healthy swinging lifestyle.

There weren't many weekends when we weren't entertaining couples at our house with cock and cunt.

Anyway, after lunch she had gone back to the hotel moaning that she had a headache. An hour later I went to go and check on her.

As I got to the door I heard strange moaning coming from the room.

I burst in to find her stark naked being fucked by two of the hotel cleaners!

One had his cock right up her pussy and the other bloke was standing over her as she sucked him off. She looked up at me and said, "Don't just stand there – my arse needs filling."

The two cleaners looked at me waiting to see what I would do. Presumably they thought I was going to go berserk and lay the two of them out.

I smiled inwardly. They couldn't know that there was only one thing I liked better than watching my newly-wed wife filled with two big cocks, and that was sticking my prick into her hot spunky pussy after they had finished.

"Carry on," I told them and after a nervous look at each other they soon got back into their rhythm.

One of them spanked her arse while he smashed his hips into her and the other fondled her boobs while she bobbed her head frantically on his cock.

I walked over, my dick stiff

at the sight of my slut wife.

One of the cleaners got on his back so she could sit on his cock and the other bloke eased his cock up her back passage.

Now she could work on my dick. I gasped as her hot little mouth enveloped me. She had to keep spitting it out as the two cocks penetrating her split her open with ecstasy.

It wasn't too long before her pussy was flooded with hot cum.

She nearly screamed the hotel down when those hot jets of spunk filled up her bum.

I flipped her on her back and started to fuck her arse hard, watching her sucking at the cleaner's cock and looking at her pussy filled with cum. I waited for the other Spanish man to cum.

When he had shot his load all over her face I scooped the cum out of her cunt and wiped it on her face.

I then gave her arse a few quick hard thrusts and spurted all over her face, mixing all three sets of cum with my cock.

I wanked my cock until the last drops had oozed out of my bell-end and splattered on her face.

Then I sat back exhausted and looked in pride and pleasure at my dirty, spunk-bedraggled wife as she grinned back at me.

We're planning to go back again next year, but to be honest if she's as dirty as this now she's married, I'll take her anywhere she wants!

Alan, Midlands.

Sonia

Doesn't Sonia look all officious with her clip-board and her glasses – is she doing some sort of time and motion study to see how we could make a jazz mag more efficiently?

"No, nothing like that! In fact I'm just sketching a few ideas for another tattoo I've been thinking about, but I can't get it right so I think I'll have to find some other way to amuse myself instead."

Well, we've got an idea there – how about you strip off and have a fiddle? That way it won't just be yourself you're amusing!

REAL WIFE SEX

Tracy only gets naughty at the weekends!

"Colin lapped along the length of my labia, teasing my love bud..."

I am a suburban housewife with a loving husband, two young kids, two cars, and a mortgage, living on a boring housing estate. During the working week John goes to his nine to five job and I take the kids to and from school. In the evening we have a family dinner and once the kids are in bed we watch the telly. But on the weekends it's become a totally different story: the kids go to their grandparents, alternating between my parents' and John's. This arrangement gives us the freedom to have fun of our own.

It all started when I was surfing the net one night and saw an advert for a swingers' club. Half-joking, half-excited, I showed the site to John. To my surprise he confessed he had been browsing swingers' sites for a while but did not know if I would be up for it.

Our sex life has always been good. John has a sizeable cock and I am very responsive and multi-orgasmic. We often experiment with different positions and have tried out plenty of toys and other stuff such as role play. Adding another person to the action was something we had never tried, but as we talked it over John admitted he had always yearned to be cuckolded. He wanted me to be fucked by another man. I've always been pretty open minded, so I wasn't too shocked, and it wasn't long before we'd decided to put his fantasy into effect.

We began to trawl through adverts on swingers' sites, sorting likely blokes and sending them messages. It didn't take long to narrow the search down and in the end we choose Colin, a well-built farmer just a few years younger than me. We Skyped for a couple of weeks until we all got comfortable before arranging to meet up in a nearby pub.

Colin was even more attractive in person and by the time we'd our drinks I was gagging to get him into bed. John seemed

very excited by the whole affair, assuring Colin how much he was looking forward to seeing me fucking another man. When we got home we all went straight upstairs. John had carefully placed lamps around our bedroom so that he could see the action from every angle without ruining the atmosphere.

It felt strange being touched by another man in my marital bed, but I wanted to John a show to remember so I asked Colin to lie back and allow me to suck his cock. He happily moved into position, allowing me to get between his legs and take his fine big cock in my fist. It was even thicker than John's, which pleased me – and, John told me later, thrilled John too – plus it was also circumcised, which was a first for me. I loved the way Colin's pre-come glazed his large bulbous cockhead and I started licking it like it was an ice-cream cone. He murmured and pulled me closer so he could hold my head in position, and as he did so he pushed his cock almost to the back of my throat. I gagged slightly as I felt his helmet nudge and tilted my head back so I could accommodate it before beginning to bob my head in time with his thrusts.

I was totally immersed in what I was doing and almost missed the fact that Colin was not far from coming in my mouth. With a sigh he pulled back, shaking his head as he complimented my oral skills. I felt even hornier knowing that my man was getting off on watching me. Then Colin surprised me by turning me onto my hands and knees and eating me out from behind. I guessed he was probably doing this for John's benefit because I could hear John wanking hard while watching Colin licking away between my pussy-lips.

Colin lapped along the length of my labia, teasing my little love bud with his tongue before licking up the pussy juice which resulted. All too soon he stopped, replacing his tongue with his fingers, holding my pussy open so John could get a good look at how excited I was. Then, nipping my clit with his fingers, he made me jerk and sway slightly as he stimulated my clit and eased his fingers in and out of my dripping pussy.

I pushed back onto his fingers, trying desperately to get myself off on his hands as his fingers teased me to the edge of orgasm. Then he stopped and I felt him position his cock against my throbbing slit. At this point he asked John's permission to enter me and as John nodded his consent, Colin pushed his thick cock right to the root inside my sopping wet fanny. I almost came on that first thrust (and John came close to doing so too!) but Colin steadied me, telling me to relax as his fingers began to roll my nipples. Surges of pleasure rippled through my body as he stimulated my most erogenous zones before beginning to fuck me with long, slow strokes. Every nerve ending quivered as I strained to come, clenching my pussy muscles tightly around his slowly thrusting cock.

Gripping my waist, Colin began banging my pussy harder until I could not hold out a second longer. I dipped my back and came long and hard, one orgasm crashing into the next as Colin emptied his load inside me. I trembled violently as the last tremors of pleasure shook my body and in the background I saw John sitting back in his chair, his now spent cock in hand, and a big smile on his face.

For the next couple of hours Colin gave me orgasm after orgasm, while John soon recovered his strength and wanked himself silly as he watched, although much to my amazement (and delight) he still had the stamina to fuck me himself once our guest had finally left.

Colin has been back three times since then and John says he gets more excited to be cuckolded each time. And I'm not exactly complaining, either!

Craving a bit more sunlight as the days shrink into practically nothing? Then maybe you ought to jet off to some sunnier climes, in which case filthy trolly dolly Kate Anne would like to help you settle on board and deal with any cabin fever you might be feeling…

"I actually did want to be an air hostess when I was younger – all that exotic travel and the glamour. Then I realised I don't really like flying very much, so that was that. Mind you, I'd like to join the mile high club one day, if anyone wants to lend a hand… I mean 'cock'!"
